OFFICE OF PETITIONS

DECISION ON PETITION

This is a decision on the petition filed on January 25, 2006, to withdraw the holding of abandonment.

The application became abandoned for failure to reply timely to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures ("Notice to Comply"), mailed on April 21, 2005, which set a one-month extendable period for reply. In the absence of a timely filed response, the application became abandoned on May 22, 2005. A Notice of Abandonment was mailed on January 4, 2006.

In the present petition, petitioner requests that the Office withdraw the holding of abandonment due to non-receipt of the Notice to Comply of April 21, 2005, remail the Notice and restart the period to reply. The practitioner asserted that a search of the file jacket and docket records indicated that the Notice was not received. In support of the assertion, the practitioner submitted a copy of the docket record for May 19 -24, 2005, where the non-received Notice would have been entered had it been received and docketed.

A review of the record indicates no irregularity in the mailing of the Notice to Comply, and in the absence of any irregularity in the mailing, there is a strong presumption that the Notice was properly mailed to the address of record. This presumption may be overcome by a showing that the Notice to Comply was not in fact received. The showing required to establish non-receipt of an Office communication must include a statement from the practitioner, stating that the practitioner did not receive the Office communication and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where

the non-received Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.² For example, if a three month period for reply was set in the non-received Office action, a copy of the docket report showing all replies docketed for a date three months from the mail date of the non-received Office action must be submitted as documentary proof of non-receipt of the Office action.

The showing of record is insufficient to warrant withdrawal of the holding of abandonment at this time. The Notice to Comply set a one-month extendable period for reply. Therefore, the practitioner must submit a copy of the docket report showing all replies docketed for one month from the mail date of the Notice to Comply (*i.e.*, from April 21, 2005, up to and including, May 21, 2005) as documentary proof of non-receipt of the Office action. With the present petition, the practitioner only submitted docket records for the period from May 19-24, 2005.

The petition to withdraw the holding of abandonment is **dismissed**.

Copies of the Notice to Comply, a CRF Problem Report, and the Notice of Abandonment accompany this decision for petitioner's convenience.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.181." Extensions of time are permitted under 37 CFR 1.136(a). In the alternative, petitioner may wish to file a petition under 37 CFR 1.137(b) to revive an unintentionally abandoned application.
